BIOGRAPHY

Personal Website:: sonia.bechka@grenoble-iae.fr

I have been a teacher at Grenoble Alpes University since 2004 and have been working at Grenoble IAE since 2014. I teach specialised English (especially in Management) at all levels (Licence and Master) within the IAE. I also have pedagogical responsibilities. At the moment I am responsible for a Master's degree in English and a Professional degree.
I started my career in adult education. I gave English courses to company executives and helped them improve their professional English. In 2004, I passed my Capes and was appointed to the IUP Commerce and Sales where I was named International Internship Manager and developed the portfolio of internships abroad allowing 50 students to do a 3-month internship abroad.
In 2009, I took charge of a program for the first time with the MGE License, a Management License for which I was responsible until 2014, when the License was absorbed by Grenoble IAE.
Following the creation of the Pôle LIcence de Gestion in 2011, I was appointed Director of this new component until 2014, when it was absorbed by Grenoble IAE.
Currently, I teach Specialty English and Intercultural Management in addition to my teaching responsibilities.
