

**Unite! opens doors for  
matchmaking and collaboration**  
amongst nine partner universities  
across Europe.

Unite! brings together nine European universities to drive innovation, engineering and cross-border collaboration in research and education

Get inspired, grow together, let's Unite!

Technology and Engineering

unite! | University Network for Innovation,  
Technology and Engineering

**Match, network and innovate**  
with researchers across Europe

 Get involved!

What's in it  
for you?

As a researcher at  
one of the nine  
partner universities,  
**you are part of  
Unite!**

**Connect and  
collaborate** with  
researchers across  
Europe

Opportunities  
for Researchers

Unite! takes your  
research further with:

- Matchmaking events
- Finding research partners
- Seed funding opportunities
- Shared research infrastructure
- Postdoctoral careers across Europe
- Soft-landing services for start-ups

*"Unite! brings together some of the most renowned universities in Europe. This enables research at the highest scientific level. In addition, the Unite! Seed Fund encourages Unite! researchers to work together. This is very important, because every joint activity fills Unite! with life and makes the alliance more and more a united European campus."*
