GRENOBLE INP UGA

UGA Université Grenoble Alpes

Unite! Research School

November 3rd-7th 2025 / French Alps, France

Space & Tech
Engineering Biology
AI & Cybersecurity

The Unite! Research School is back for its second edition, bringing together MSc and PhD students, along with researchers from all over Europe in cutting-edge fields. Over the course of five action-packed days, you'll:

▶ **Dive into the vibrant Unite!** research ecosystem

▶ Take part in an intense and inspiring programme including practical scientific sessions and transversal skills courses

▶ **Connect and collaborate** with top researchers and fellow students during the PhD and researches testimonies eveningnight

▶ **Discover international research** opportunities and future pathways with industry leaders
  - Visit top labs and industries in Grenoble's sillicone valley
  - Participate in a case study challenge with peers

The Unite! Research School is a Blended Intensive Programme corresponding to
3 ECTS credits for Master students
30 training hours for PhD students

Who? **MSc and PhDs students**
When? **November 3rd-7th, 2025**
Where? **In the French Alps near Grenoble**
Question? **URS2025@grenoble-inp.fr**

REGISTER NOW!

Free registration, including accomodation and meals!
