

2022 Edition

Micro and Nanotechnology

Ginsen is a **Bachelor-level summer programme fully taught in English**, organised by Grenoble INP – UGA.

You wish to deepen your knowledge in **Micro and Nanotechnology**, while travelling the world and meeting new, exciting people from different cultural backgrounds?

Come and try our Ginsen Summer School! At the **heart of the French Alps**, you will study within one of the **highest ranking** French engineering institutes and have the chance to work in **cutting-edge research facilities**, while enjoying summer surrounded by gorgeous mountains and with **Europe at your doorstep**.

Admission: This option is open to students in Physics, Biology, Chemistry, Applied Physics, Telecommunication, Material Science or Electrical Engineering (Bachelor and first year of Masters degree level).

Key dates:

Application period: December 13th 2021 – March 11th, 2022

Admission period: March 14th - April 8th, 2022

Program dates: June 20th - July 8th, 2022
or June 27th - July 8th, 2022

Students have to:

- Be at least 18
- Live in a country that allows you to come study in France
- Have at least an “independent speaker” or B2 level (according to the CEFR standard) in English

Design your own summer school programme !
