

Grenoble INP - Ense3, UGA

INTERNATIONAL MASTER'S PROGRAMMES

Master in Hydraulic and Civil Engineering
Master in Electrical Engineering for Smart Grids and Buildings (EIT)
Master in Mobile, Autonomous and Robotic Systems
Master in Fluid Mechanics and Energetics (EIT)

Grenoble INP - Pagora, UGA

MASTER'S DEGREES

Master Materials Science and Engineering: Program Biorefinery and Bio-based materials *
Master Industrial Engineering: Program Sustainable printed electronics *

INTERNATIONAL SEMESTERS

Paper Sciences, biorefinery & bio-based materials - Fall semester *
Paper Sciences, biorefinery & bio-based materials - Spring Semester *
Print Sciences : processes & materials - Fall semester *
Digital printing & printed electronics - Spring Semester *

Grenoble INP - Phelma, UGA

INTERNATIONAL MASTER'S PROGRAMMES

Master in Materials Science for Nuclear Energy *
Master in Functional Advanced Materials Engineering with Artificial Intelligence for Sustainability - *Erasmus Mundus joint master*
European Master's in Nuclear Energy (InnoEnergy EIT Master)

UNDERGRADUATES

Bachelor in Nuclear Engineering

MASTER'S DEGREES

Master 2 in Nanomedicine and Structural Biology
Master in Signal and Image processing Methods and Applications *

ENGINEERING DEGREES

Engineering Degree in Biomedical Engineering *
Joint Engineering Degree in Micro and Nanotechnologies for Integrated Systems *
International degree in Advanced Materials *

Polytech Grenoble - INP, UGA

Currently, Polytech Grenoble does not offer courses fully in English

Grenoble INP - Ensimag, UGA

MASTER'S DEGREES

Master of Science in Informatics (M1 & M2 MoSIG) *
Master of Applied Mathematics (M1 AM) *
Master of Science in Industrial and Applied Mathematics (M2 MSIAM) *
Master in Cybersecurity (M2 CySec) *
Master in Operations Research, Combinatorics and Optimization (M2 ORCO) *
Master of Science in Artificial Intelligence (M2 AI)* M1 in AI opening in 2026 !
Master of Science in Communications Engineering and Data Science
Erasmus Mundus joint master's degree programme offered by five European universities

Grenoble INP - Esisar, UGA

MASTER'S DEGREE

International Master in Embedded Systems Security (IMESS) *

Grenoble INP - Génie Industriel, UGA

INTERNATIONAL MASTER'S PROGRAMMES

Master in Sustainable Industrial Engineering *
Zero defect Manufacture for Circular economy Master programme
EIT-M Master's programme
Master of Science in Digital Manufacturing for Innovative Ecosystems
EIT-M Master's programme
European Master Program on Sustainable Materials
EIT Raw Materials
FUTURPROD : transition to sustainable industrial production systems Master programme

INTERNATIONAL SEMESTER

Responsible Design - Spring semester *

Grenoble IAE - INP, UGA

MASTER'S DEGREES

Master 2 in Advances in Finance and Accounting *
Master 2 in Applied Corporate Management *
Master 2 Le Quanti - Research and Data Intelligence in Marketing *
Master 2 in Advanced ReseArch in Management of Information Systems *

UNDERGRADUATES

Bachelor in Management - English Track *
